

Competitions & Meets

Global Middas Foundation will undertake various initiatives to 1st identify a young talent, then groom, mentor and provide a platform where professionally these trained candidates can be launched. These would be in diversified disciplines like education, entertainment-singing/acting/dancing/traditional folk dance & music, contemporary and modern, fine arts like paintings, sculptures, poetry etc., sports like athletics, sikh martial arts –Gatka, archery etc.

These kind of competitions, debates and meets at national & international level will be conducted for the development of the youth, building incubation centres for skill development and making them ready for a professional career in their respective fields.

Investment on undertaking such campaigns, training & mentoring them professionally, sponsoring their education & living expenses, give them break by conducting events, stage shows, making them participate in other national & international competitions, giving them break in music albums, movies etc would be undertaken.

Further Academies & Training Centres across Punjab & Pan India will be setup wherein such trainings will be imparted by professionals and public at large would be benefited from the grassroots. Thus a livelihood for trainers and a professional career for the trainees would be achieved so as to curb against drug abuse, unemployment, suicides and other such issues spoiling the future of a state and nation.

In order to meet such expenses, sponsors and donors providing financial assistance to undertake such competitions, meets, training centres, academies and students are welcomed to support & strengthen the cause. Volunteers who can contribute in the awareness & participate in the management of these activities are welcomed too. Those who would like to contribute in terms of their training skills or provide the requisite infrastructure to hold such meets or academies would be a contribution of immense importance towards this initiative.
