- ❑ Global Middas Foundation NGO is a community of energetic individuals with a strong sense of selfless public service to promote and publicize the core beliefs of Sikhism articulated in Guru Granth Sahib. We follow the 3 basic principles of Sikhism: meditating upon and devotion to One Creator, truthful living and emphasizing service to humanity.
- ❑ Inarguably, there is dearth of talents in India, but due to many reasons, these talents go undiscovered, so to help these talents, we have come up with a platform to train and promote them at international levels.
- ❑ If your age is between 3 and 25 and you have a talent that you want to portray at a wider level, we would train and escalate the same free of cost.
- ❑ You can write to us with your name and the hidden talent so that you can avail this opportunity and be famous worldwide.
